6. Leave Policy

The Employee shall be entitled to leave as per the Company's policy.

- Casual or planned leave should be informed and approved in advance by the Reporting Manager or Management.
- In case of an emergency, the Employee should inform the Company as soon as reasonably possible.
- Unauthorized absence or leave without prior intimation may result in salary deduction or disciplinary action, as per Company policy.
- Leave approval shall be subject to work requirements and management discretion.
- The Company reserves the right to modify the leave policy from time to time based on operational requirements.

7. Roles & Responsibilities

The employee shall:

- Develop MERN Stack applications.
 - Create Frontend and Backend modules.
 - Develop APIs.
 - Manage Databases.
 - Fix Bugs and Issues.
 - Maintain project documentation.
 - Work with the development team.
 - Meet project deadlines.
 - Learn and adopt new technologies.
-

Additional Duties and Responsibilities

The Employee understands and agrees that, based on the operational and business requirements of the Company, he/she may occasionally be assigned additional tasks and responsibilities beyond the primary job role. Such assignments may include, but are not limited to:

- Office-related designing and creative work.
- Preparation and editing of presentations (PPT).
- Documentation and report preparation.
- Content formatting and digital asset management.
- Data entry and administrative support.
- Coordination with internal teams and clients.
- Any other work reasonably related to the Company's business operations.

The Employee agrees to perform such duties with sincerity and professionalism. Assignment of additional responsibilities shall not be considered a change in employment designation and shall form part of the Employee's overall role and contribution towards the growth of the Company.

8. Probation Period

The initial employment period may be considered as a probation period.

Performance during this period shall determine continuation of employment.

9. Confidentiality

The employee shall maintain complete confidentiality regarding:

- Source Code
- Client Data
- Company Documents
- Business Information
- Project Details
- Internal Processes

Unauthorized sharing of confidential information may result in disciplinary action.

10. Attendance & Leave

Employee shall:

- Maintain punctuality.
- Inform management regarding leave.
- Obtain prior approval wherever possible.

Unauthorized absence may affect salary and incentives.

11. Code of Conduct

Employee shall:

- Maintain professional behaviour.
 - Respect colleagues and clients.
 - Avoid misconduct.
 - Follow company policies.
 - Maintain a positive work environment.
-

12. Company Property

All company assets including:

- Laptop
- Software
- Login Credentials
- Source Code
